

Are you ready for a Reset?

The best remedy I can think of is retreating to His Presence for an extended time. It isn't only a gift to be enjoyed, it is vital for your soul and spirit.

One Thing Worship Retreat is a day set apart for just that:

A sacred space for worship, in giving praise and in giving hearts and ears to hear fresh again,

Gathering with a few friends in an intimate setting to study God's Word,

Personal time alone with your Beloved, to reawaken to and re-hear His voice.

All you need are a few friends and a place to gather ~ a living room, a sanctuary, a backyard, along with some space to spread out and retreat to for private worship ~ a cozy corner or two, a blanket under a tree, a front porch rocker, any place that gives space for quiet reflection.

"It would be my pleasure and privilege to serve you in this time as we enjoy His Presence, sit at His feet, and listen for His voice. " ~ Kim
